### Actionplan Marburg

Setup of a second "Students on the farm"

- Deficulties with the farmowners
- University related problems:
- The students have a very strict learning schedule.
- The Students choose by interest. If there are no enough students interested in this subject the course will not be realised

Creation of a brochure

Actionplan Marburg

Tools: Semistructuralised Interviews

### Evaluation: By QDA Programs (Maxqda, QDAminer etc.)
