- Local group of learning platform on agroecology: 25
- Farmers, students, experts participating in seminar: 150
- Governmental group on agroecology: 10

# Quantitative analysis

- Workshop overview with expert: 1
- Workshop interview agroecological farmers: 2 (collective)
- Workshop on self-reflection: 1 + 20 interviews and personal exercises
- Workshop with agroecological learning platform: 5
- Filming and interview sessions: 2
- Local group meetings: 10
- Workshop with policy advisors: 1

# Qualitative analysis

- Different view on project comparing with initial idea
- Governmental organisation: no training background ☾  
Different opinions about project participation
- Advisors: in scheme of CAP: strict regulation!!!
- One local group quit (cuts in budget of organisation)
- Very interesting to think about and to develop tools
- Itinerary on our level: ok but different then other partners
